SALES CONDITIONS/WARRANTY: IVANO REDAELLI

SALES CONDITIONS

The prices on this price list are "List" prices in USD, converted from euro, carton package included. These prices were correct on the date printed. Due to extreme fluctuations in exchange rates, please check with the local dealer for any later revision. Trade discounts may apply. See local dealer for any additional delivery charges.

Orders are accepted only when confirmed by the manufacturer. Generally, an order requires a deposit payment with balance payable prior to products leaving the manufacturer's factory in Italy. Unless the local dealer has special terms with the manufacturer, production usually begins upon receipt of payment by manufacturer. Delayed delivery does not entitle a reimbursement.

Generally, deposits are refundable by local dealers only within three days of payment. Custom orders are never cancelable. Returns are not accepted. Objections to sales conditions must be made directly to the local dealer at the time of purchase otherwise they will be considered accepted.

See local dealer for exceptions and local sales conditions which should be considered paramount.

CLAIMS

Please open packaging and check goods carefully before signing a delivery note. If this is not possible, please accept the merchandise conditionally, otherwise the local dealer cannot take responsibility for damages. Transport damage must be communicated in writing, accompanied by photographic evidence, to the local dealer within 7 days of receipt of goods. Photographs should include damaged packaging - such packaging to be kept for inspection by the local dealer.

The local dealer, upon review of any claim and circumstances, may repair or replace products or provide parts to satisfy a claim at its sole discretion.

WARRANTY

Except for commercial/hospitality use, for which the warranty is one year, products are warranted to be free from defects in materials and workmanship for a period of two years from the time of original purchase. This warranty does not cover the replacement of upholstery or cushions, fabrics and pillows due to normal wear and tear, nor does it apply in the case of damage resulting from misuse of the product. Products which have been adapted or repaired without the prior written consent of the manufacturer are also excluded. Manufacturers' maximum liability is the product purchase price.

Neither the manufacturer, imoderni, llc, nor the local dealer makes any additional warranty, express or implied, written or oral, regarding any warranty of merchantability, title, or fitness for a particular purpose. Additional exceptions may apply.

VARIATIONS

In pursuit of the manufacture of the highest quality products, and customer service, the manufacturer reserves the right to modify colors, dimensions and type of construction at any time.

TOLERANCE

Colors, finishes, fabrics and other materials are shown as an indication only. While great effort has been made to represent products truthfully, neither the manufacturer, imoderni, llc nor the local dealer is responsible for errors or omissions. Always choose color and finish in conjunction with actual samples.

In the case of fabric, a small difference between samples and production quantities may also occur. Only a color difference within a single product, e.g., a sofa between seat and cushions, can be considered a defect.

Many products in this price list are made by artisans. The colors, textures and dimensions indicated therefore must be considered indicative, and the customer, upon transmitting the order to the dealer, accepts these possible differences as a sign of authenticity.

Materials may also show imperfections on the surface these are usually natural and should also be considered a sign of authenticity.

SPECIAL NOTES:

Beds in approved special sizes will carry a customization charge of approximately 20%.

Ivano Redaelli does not suggest the use of the latex mattress for the following beds: GIO', GLAMOUR, LYN SYSTEM, and YOU AND ME.
